

BOYS & GIRLS CLUBS
OF HUNTINGTON VALLEY

Be Smart. Be Happy. Be Creative. Be Active. Be Inspired. BE GREAT. These are hopes that we all have for the kids in our lives. The Boys & Girls Clubs of Huntington Valley sees every child's potential for an amazing future, and your support helps the Club provide the safe, caring environment kids need to be their best and achieve great things every day.

By supporting the JMG Security Systems Annual Benefit Golf Tournament, you will help raise much needed funds for Boys & Girls Clubs of Huntington Valley's wide array of programs for more than 8,000 children ages 6 weeks to 18 years old in the Huntington Beach and Fountain Valley communities. Because of your participation, disadvantaged kids get homework help and tutoring, use a computer lab to stay on par with kids who have home computers, enjoy the camaraderie and fitness benefits of team sports, make great friends, build self-confidence, and much more. The Boys & Girls Club gives kids the opportunity to be great and helps working poor families by enabling parents to go to work knowing their kids are safe and well cared for.

The Club's programs are nationally recognized for their exceptional quality. In 2008, Boys & Girls Clubs of America ranked our Club among the top four Boys & Girls Clubs in the nation for overall program excellence. The Club's programs are not only the best in town, they are also the most affordable thanks to generous donors like you. Your support helps the Club offer scholarships and keep its fees low. In today's economy, affordable, reliable, high quality care for children is vital for struggling families. Your support of the JMG Security Systems Annual Benefit Golf Tournament makes great things possible for our community by giving struggling families the vital services they need.
