BOYS & GIRLS CLUBS
OF HUNTINGTON VALLEY

So Kids Can Be Kids

Giving Each Child an Opportunity

Creating kids who *care* more – about themselves, each other, and their world – is not the work of government or schools. It is *our* work! It is the work of parents and families, of organizations like the Boys & Girls Club, and of people like you and me.

To build prisons, all we have to do is pay taxes. To save a child requires much more. It takes time, money, dedicated people and sustained effort. The Boys & Girls Clubs of Huntington Valley is dedicated to giving every child the opportunities they need to succeed in life, avoid gangs, say no to drugs, and make positive life choices. We do not stand at the bottom of the cliff with an ambulance and stretcher; we are at the

top of the cliff, building fences. Our fences keep kids in school, off drugs, and out of trouble. We give kids a sense of belonging, pairing them with adults worth admiring and imitating. Most important, the Boys & Girls Club gives kids something to *care* about, and provides programs that teach them how important it is to *care about themselves*.

All the technology in the world can never substitute for personal contact between kids and adults. The best schools in the world can’t teach kids who aren’t motivated to learn and the most powerful democracy in the world cannot endure without the commitment of people like you and institutions like the Boys & Girls Club.

So on behalf of the Boys & Girls Clubs of Huntington Valley, I want to thank every one of you who has written a check, or contributed your time, your talent, or your company’s resources toward caring for our community’s youth. Together, we are able to send the very important message to our kids that *It’s What’s Inside That Matters*.

Thank you all very, very much!
Tanya Hoxsie, CEO

John Pham named
“Management
Professional of the Year”
by B&GCA

The Boys & Girls Clubs of Huntington Valley is proud to have John Pham on our team. At the 2003 Administrative Conference held in early October, John was named as the Boys & Girls Clubs of America “Management Professional of the Year” for the Pacific Region. John’s involvement in the Boys & Girls Club Movement and his commitment as Unit Director at the Kingston Branch of the Boys & Girls Clubs of Huntington Valley, made him the ideal candidate for this award.

John began his career in 1995 with the Boys & Girls Club while finishing his Bachelor’s degree in Criminal Justice at CSULB. His first position was at the Boys & Girls Club of La Habra/Brea. In 1999, Huntington Valley

A Special Thanks to Our Sponsors...

THANK YOU to our Supporters. With your help and generosity, we met our goal and raised \$325,000 at the 2003 Annual Benefit Dinner and Auction. The event marked an exciting moment in the history of this organization. With the help of a powerful and committed auction committee, we successfully solicited the support of twenty NEW community businesses that attended for the first time. When you combine the 200+ new supporters with 400+ longtime donors – the results are -- **We raised \$100,000 more than we did in 2002, for the Kids!**

A very Special Thank You to everyone that made this event possible!

Committee Stands Up for Youth

The Boys & Girls Club of Huntington Valley's 25th Annual Benefit Dinner and Auction was made possible by our devoted Auction Committee. Many months of planning go into putting our auction together every year. This auction was especially challenging, with large goals and a new venue. It wasn't an easy task to solicit 20+ new businesses to purchase tables, but the committee did just that! All of their hard work helped raise \$100,000 more than in 2002!

Thank you so much to all the members of the Auction Committee. You help inspire others to give to the kids and bring opportunities to those less fortunate. You are all very special guardian angels to the kids we serve.
